

# PedEx

## Short Pedal Extensions

Delivering driving comfort and safety, the PedEx Pedal Extensions from Des Gosling Mobility provide an adjustable extension to vehicle pedals for anyone who struggles to comfortably reach the pedals. Available for most pedal types, the kits are fitted by a trained installer to give a bespoke fitting to suit the user and to ensure safety of the end product.

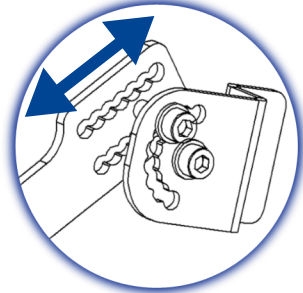

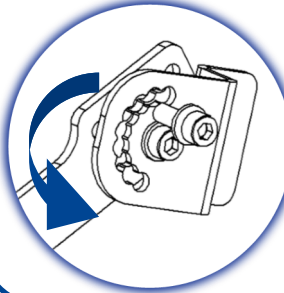

DESIGNED AND  
MANUFACTURED IN THE  
UNITED KINGDOM

### Key User Benefits:

- ◆ Fully adjustable between approximately 1.5 - 4.5 inches of extension
- ◆ Set the length, height and angle of pedal for the perfect fit
- ◆ Banish back/leg pains and aches when driving
- ◆ Rubber pedal covers give reliable grip even when wet
- ◆ Strong construction to ensure safety
